ACHC ACCREDITATION GUIDE TO SUCCESS WORKBOOK

[ HOSPICE]

FOR PROVIDERS.
BY PROVIDERS.™

Dear Provider,

Thank you for your interest in ACHC Accreditation. The *ACHC Accreditation Guide to Success* workbook is only one of the many resources we offer to help your organization improve efficiencies, as well as prepare your team for a successful on-site accreditation survey.

Our interest is to deliver an experience that you won't get with any other accrediting organization. Every one of our employees shares this commitment. From our Receptionist to our Surveyors, you will find that delivering the best possible experience is our top priority.

We provide knowledgeable, experienced Surveyors that can offer "best practices" guidance based on their experience. I believe you will find our Surveyors to be highly qualified in their respective areas of expertise, with a sincere interest in helping you attain your objective without compromising standards.

Our Account Advisors can be easily reached and are committed to returning all calls and emails within four hours of receipt. They are here to walk you through the entire accreditation process, and are available to answer any questions. We also have a strong marketing team that is constantly developing new products that can assist our customers with their growing businesses.

If at any time you feel we do not deliver on these commitments, please do not hesitate to reach out to me directly. Again, thank you for your interest in ACHC Accreditation as well as your dedication to providing high quality healthcare services.

Sincerely,

José Domingos
